

The "Next Generation"

The Next Generation of Freight Elevator Doors

"Q" Interlock

The COURION "Q" Interlock was designed with the elevator contractor in mind. Installation is greatly simplified. Maintenance, if necessary, is a snap.

MOUNTS DIRECTLY TO DOOR GUIDE RAILS. No more lock bar, lock bar guide, or mounting plate to install or maintain.

DUST, OIL, AND MOISTURE RESISTANT - NEMA 4, 12, & 13 standard Gasketed cover protects contacts from hoistway environment.

DIRECT WIRING. No junction box needed - saves time and materials during installation.

RUGGED. Cast iron housing with heavy-duty, electrostatic, powder coat paint finish.

U.L. LISTED.. CSA approved. Tested to EN 81-1 and BS 5655-1 standards.

Call COURION today for more information regarding COURION's "Q" Styled Interlock.
